

# ASPIRING LEADERS PROGRAMME

This 8-session program is for you if you are new to a leadership role.

It has been designed to help you grow your confidence. By helping you understand your leadership style and behaviors. It will help you to engage with the people you support and manage, become more self-aware; build your ability to make a difference in your organisation or Community group. You will explore different models for understanding yourself, others and the wider environment. Our intention is to provide you with learning that will empower you to deliver change in an effective way. So if you're passionate about the cause you care for, know you want to lead, but need further development this is the program for you. Check out the sessions.

Session content has been developed around:

Enabling, Supporting & Inspiring Others

Developing Effective Partnerships

Driving Change
